

Preferred Clinic Programs

*Partnering with you in your community
to provide access to affordable
medication for those you serve.*

Rx Outreach applauds the courageous and necessary work done on the front-line by America's Free and Charitable Clinics. Our Preferred Clinic programs are specifically designed to fit the needs of Free and Charitable Clinics. Each is offered and managed with a clear understanding of your mission, your daily challenges and your need to be efficient. We celebrate you, because through it all, you stand.

To support your efforts, we offer three (3) Preferred Clinic programs.

- **Standard Clinic Program (Tier 3)**
- **Preferred Clinic (Tier 2)**
- **Preferred Clinic (Tier 1)**

Each program is **EASY** to use, helps to **SAVE** valuable time, is **FREE** to sign up for and leverages the unique **STRENGTH** of Rx Outreach

- The nation's largest nonprofit, fully licensed pharmacy
- Partnering in communities, in all 50 states, Puerto Rico and the Virgin Islands
- More than 350 medications / 800 medication strengths on-hand
- Serving those in need with incomes at or below 300% FPL
- Pricing transparency
 - **NO** additional or hidden fees beyond the cost of the medication(s)
 - **NO** clinic/patient membership fees
 - **NO** standard shipping fees
- The "Clinic Portal" patient management tool for fast, efficient refill processing for your Rx Outreach patients

We look forward to serving your affordable medication needs in your community. Thank you.
