About Rx Outreach

Rx Outreach is the nation's largest nonprofit, fully licensed, mail-order pharmacy serving all 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands. With a genuine care and concern for patients, Rx Outreach strives to improve the accessibility of affordable medication for people who are uninsured, underinsured, or insured but still can not afford their medication. Rx Outreach offers more than 1,000 medications that cover most chronic illnesses with actual costs often less than any other mail order or retail pharmacy.

Since 2010, Rx Outreach has saved people in need more than \$662 million from retail costs on prescription medications.

OUR MISSION: To provide people access to affordable medications.

History

Based in St. Louis, MO, Rx Outreach started as a Patient Assistance Program (PAP) at Express Scripts, a Fortune 100 company also located in St. Louis. In October 2010, Rx Outreach spun off from Express Scripts and became a stand-alone nonprofit organization under the founding leadership of Michael Holmes.

Today, Rx Outreach is an independent 501(c)(3) nonprofit pharmacy committed to increasing pharmacy access and adherence among the underserved.

Holmes served as the President of Rx Outreach for five years and has served as the Board Chair since 2016. In 2016, Darryl Munden was named President of Rx Outreach, after serving as Chief Operating Officer alongside Holmes.
