

Rx Outreach is a People First® Certified Organization

Our employees - now called Purpose Partners - have participated in our organization's transformational cultural change that is rooted in the belief that we are all made in the image of God and deserve to be treated with the utmost dignity. This belief drives our passion for serving our patients and one another with respect and honor.

About People First® International

People First® International is a pioneer in organization development, offering a unique concentration on the individual need for increased human betterment through life-mastery skill development training.

The foundation of the People First® Strategic Leadership program is establishing a philosophical foundation—and an essential component of that philosophy is a belief about the exalted dignity, worth, and potential of all people. This program works. It works in building a world-class internal culture; it works for streamlining production; it works to improve customer service and spurs creative thinking and design.

The certification mark, as used or intended to be used by persons authorized by the certifier, certifies or is intended to certify that the persons have completed the certifier's one-year People First Leadership Program and successfully demonstrated (1) an assessment of business culture; (2) a measurement of the levels of trust within the organization; and (3) training in the certifier's Organizational Development System to increase leadership effectiveness to develop a high-trust culture.
