

PREFERRED ADVOCATE PROGRAMS

*Partnering with Patient Advocates
to provide access to affordable
medications for people in need*

As a Patient Advocacy Organization, you go above and beyond helping your patients find potential healthcare resources. You are a vital part of your patient's journey to a healthier life. Helping patients maintain access to affordable medications is time consuming and challenging. Rx Outreach can help support your efforts!

WHO IS RX OUTREACH?

Established in 2010, Rx Outreach is the nation's largest nonprofit, fully-licensed, mail order pharmacy with the mission to provide nationwide access to affordable medications for people in need.
