

FILL THE GAP

PRESCRIPTION ASSISTANCE & SUPPORT PROGRAM

PROGRAM OVERVIEW

Rx Outreach believes everyone deserves access to the medications they need to be healthy. In order to address some of the greatest barriers to access, this pilot program will be available to patients that fit the following criteria:

- Patient must live across the St. Louis Metropolitan Area (includes eight counties).
- Patient must be a human between the ages of 55-65.
- Patient's household income must be at or below 300% of the Federal Poverty Level.
- Patient must be uninsured for their prescription needs.
- Patient must need cardiovascular, diabetes, or asthma/allergy medication available on the provided program formulary.

Program enrollment covers 12 months and includes medications from the provided formulary and monthly support programs.
