## Supporting You Along Your Health Journey

Rx Outreach is the only nation-wide nonprofit pharmacy that assists patients, prescribers, and partners in reducing financial, geographic, and social barriers to health through patient advocacy, community partnerships, and medication access.

**Our compassionate pharmacists are available to guide your path and answer any questions you may have.**

# Our Key Programs

## Patient-Centered Affordable Meds

Transparent, discounted medication prices listed on the website and available through web or phone services. Open to everyone.

**No eligibility requirements.**

## Community Partner Network

Open to clinics and organizations assisting their patients, clients, and staff with barriers to medication access. Additional medication discounts provided beyond the prices on our website.

## Fill the Gap Program

A 12-month program that provides free medication and educational support for patients living under 300% of the Federal Poverty Level.

**Eligibility requirements apply.**

*"Rx Outreach has been a blessing to my family. For months my child went without his medication due to big name pharmacies not having them in stock. Ever since I found this hidden gem I have not had that issue. They do not accept insurance but make up for it with fast and friendly service. Their pricing is reasonable and they communicate with you every step of the way."*

*I recommend Rx Outreach pharmacy to all families in a similar situation as I was in. "*
