

Patient Advisory Board

Your Experience Matters. Help Shape What's Next.

We're inviting patients and caregivers to help shape the future of Rx Outreach. By sharing your experiences, you'll help us improve our programs, services, and communications so they better meet the needs of the people we serve.

We're looking for current or former Rx Outreach patients, caregivers, and others with lived experience accessing affordable medications.

What to Expect:

- ✓ Three virtual meetings each year
- ✓ \$75 stipend for every meeting
- ✓ Reimbursement for reasonable technology or childcare costs
- ✓ No healthcare background required

We can't build patient-centered care without patients leading the way.

Apply By:
August 31

First Meeting:
October 27
1:00-3:00 PM CST
